

POSITION OPENING

POSITION: Outpatient Quality Registered Nurse	STATUS: Full Time
DEPARTMENT: PPG Primary Care	HRS/PAY: 75.0 hrs/pay
SUPERVISOR: Shelly Young	JOB GRADE:

RESPONSIBILITIES

The Outpatient Quality Specialist is responsible for the cohesion and completion of quality programs in the physician offices. That includes but is not limited to value-based care management, CMS core measures, CMS quality initiatives, and any insurance company specific quality programs. The quality outpatient specialist will be responsible for compliance, quality gap closure, program progress, and care coordination. The Outpatient Quality Specialist will promote goals in compliance while maintaining strict confidentiality of all patient information. The client age range will encompass all developmental stages: infants, children, adolescents, adults, and geriatrics. The Outpatient Quality Specialist will remain current on all program requirements and modifications by attending all required meetings and trainings. This position will also track progress and provide trending data to the regional practice director.

Current RN License required, BSN is preferred. Criminal background checks must be completed upon hire.

JOB DESCRIPTION

Job description outlining responsibilities and qualifications is available in Human Resources. Application for the position indicating qualifications can be written or e-mailed and must be submitted to Kristen Price, Human Resource Director.
